To Our Valued Vendors:

Covanta Energy would like to save you time and money. Remitting our payments to you via Automated Clearing House (ACH) will eliminate the possibility of lost or stolen checks, and provide faster availability to your funds.

ACH is a safe, fast, efficient way to transfer payments directly to your account.

If you aren't already doing so, future payments to you can be remitted via ACH.

Please fill out the necessary information below and send to my attention:
